L.R 7.1, Motions**

I, Richard Livingston, Plaintiff, Pro Se, 149 Warren Avenue, Milton, Commonwealth of Massachusetts, County of Norfolk on this day of June 12, 2006, state and claim that I have made good faith effort, a prerequisite of the Court, to resolve the fact that the Defendant did not exchange Disclosure timely. The Defendant, Employees Credit Union did not request or receive an extension of time beyond June 5, 2006, in spite of the fact that the court allowed generous time for Disclosure from fourteen (14) days to thirty-four (34) days, the Defendant, MBTA Employees Credit Union has violated the timeliness set forth by Honorable Judge Reginald C. Lindsay on April 26, 2006.
